AFTER PUBLIC HEARING ADOPTING LOCAL LAW TO OVERRIDE THE 2027 TAX LEVY LIMIT FOR THE TOWN OF VICTOR

WHEREAS, a resolution was duly adopted by the Town Board on the 5th day of January 2026, calling for a Public Hearing to be held by the Town Board on the 26th day of January 2026, at the Town Hall at 7:00 PM, to hear all interested parties on a proposed local law to Override the Tax Levy Limit for 2027 Town of Victor; and

WHEREAS, notice of said Public Hearing was duly advertised in accordance with law; and

WHEREAS, said Public Hearing was duly held at the Town Hall on the 26th of January 2026 at 7:00 PM, and all parties in attendance were permitted an opportunity to speak on behalf of or in opposition to said proposed local law, or any parts thereof; and

WHEREAS, the Town Board, after due deliberation, finds it in the best interest of the Town to adopt said local law; now, therefore be it

RESOLVED that the Town Board hereby adopts said Local Law as follows:

LOCAL LAW TO OVERRIDE THE NY TAX LEVY LIMIT FOR 2027 – TOWN OF VICTOR

BE IT ENACTED, by the Town Board of the Town of Victor, Ontario County, State of New York, as follows:

Section I. Authorization

This Local Law is in accordance with New York General Municipal Law at Section 3-c.

Section II. Title and Purpose

This law shall be known as and may be cited as Local Law No. 1-2026 Override the NY Tax Levy Limit for 2027 of the Town of Victor. The purpose of this local law is to override the NY Tax Levy Limit, pursuant to NY General Municipal Law Section 3-c.

Section III. Legislative Findings

The Victor Town Board finds and hereby determines that the Town has continued to experience rapid growth. In connection with such growth, along with development in technology, increases in health care costs, etc., the Town is facing increased costs including, but not limited to, costs related to sewer and water infrastructure, highway costs, employee payroll and benefits costs, technology costs, etc. In part because of the Town's historically low tax rate, the Town's ability to increase revenues via taxation to cover increased costs is severely limited due to the NYS Tax Levy Limit (which limits increase in taxation to a percentage of historic taxes). Therefore, in order to maintain the high level of services and the high

#5

standard of living in the Town of Victor, it may be necessary to increase taxation beyond the level otherwise permitted by the NYS Tax Cap at NY General Municipal Law Section 3-c.

Section IV. Amendment

The Town Board of the Town of Victor, County of Ontario, is hereby authorized to adopt a budget for the fiscal year of 2027 which requires a real property tax levy increase in excess of the limit set by NY General Municipal Law Section 3-c.

Section V. Validity and Severability

Should any word, section, clause, paragraph, sentence, part, or provision of this local law be declared invalid by a Court of competent jurisdiction, such determination shall not affect the validity of any other part hereof.

Section VI. Repeal, Amendment and Supersession of Other Laws

All other ordinances or local laws of the Town of Victor which are in conflict with the provisions of this local law are hereby superseded or repealed to the extent necessary to give this local law force and effect during its effective period.

Section VII. Effective Date

This local law, after its adoption by the Town Board of the Town of Victor, shall take effect immediately upon its filing with the Office of the Secretary of State of the State of New York.

RESOLVED that the Town Clerk of the Town of Victor be and hereby is directed to enter said Local Law into the minutes of this meeting and to give due notice of the adoption of said Local Law to the Secretary of State of the State of New York.

At the meeting of the Town Board of the Town of Victor ("Town Board") held on **January 26, 2026**, Councilperson _____ moved adoption of the following resolution: Councilperson _____ seconded the motion and was passed.

WHEREAS, changing commercial circumstances have led to the need for owners and tenants of some non-residential parcels to repurpose some spaces to incorporate a more wide-ranging mix of uses and for zoning provisions to afford them flexibility to do so in the absence of any plan for development provided the affected sites are considered appropriate for a satisfactory combination of residential, recreational, commercial and/or light industrial use and can accommodate a mix of such uses without departing from the spirit and intent of the Town's zoning regulations; and

WHEREAS, the Town Board authorized the creation of the Eastview Mall Mixed-Use Overlay District and established the same by adopting Local Law Numbers 11-2019 and 12-2019 on October 15, 2019; and

WHEREAS, a proposed Local Law that would amend the Town Zoning Code to authorize the extension of Mixed Use Overlay district has been prepared and submitted for the Town Board's review, which Local Law the Town Board is now considering for adoption; and

WHEREAS, the Town Board has scheduled, noticed, held and closed the Public Hearing(s) required relative to the proposed amendment to the Zoning Code, said public hearing was held on January 5, 2026; and

WHEREAS, the Town Board has referred the proposed amendment of the Zoning Code to both the Town Planning Board and the Ontario County Planning Board for their review, comments and recommendations thereon; and

WHEREAS, in order to comply with the NY State Environmental Quality Review Act and its regulations promulgated at 6 N.Y.C.R.R. WHEREAS, the action involves no physical activity and would only extend a specific Mixed Use Overlay District; and

WHEREAS even following extension of the proposed Mixed Use Overlay District, further action by the Town Board would be required to approve a specific Mixed Use Plan before the mix of uses on the site could be expanded beyond those presently permitted and specially permitted on the site pursuant to the regulations governing the underlying base zoning district; and

WHEREAS even following extension of the proposed Mixed Use Overlay District, further Town Board action to approve the required Mixed Use Plan will provide further opportunity to consider how any potential mix of uses should be limited, conditioned or otherwise constrained to ensure that the mix of uses on the site would remain appropriate and within the site's capacity to accommodate such uses; and

WHEREAS, prior to subsequent action to approve a specific Mixed Use Plan for the site, the Town Board would necessarily complete an environmental review under SEQRA to consider and evaluate the foregoing as well as other potential environmental impacts; and

RESOLVED, that the Eastview Mall site described in the proposed Local Law is one that is appropriate for a satisfactory combination of residential, recreational, commercial and/or light industrial uses given the site configuration, spaces available and wide range of uses already permitted upon the site pursuant to the regulations governing the underlying base district; and be it further
