#### **MISSION STATEMENT**

The Town of Victor Parks and Recreation Department is dedicated to offering ALL residents a balanced system of parklands, preservation of open space, and broad-based leisure opportunities that will foster growth of healthy lifestyles.

## Leisure Lines from the Director of Parks and Recreation

There are several signs in Victor that let us know that our season is changing from winter to spring. For many residents, especially our youngest, spring is signified by a trip to Papa Jack's for some ice cream after a lacrosse, soccer, baseball or softball game. For others, the changing of the season is best represented by trading our ski boots and snow boots for our bicycles and fishing poles. And for many of us, the days getting longer coupled with the smell of the backyard barbeque tend to put a little more pep in our step!

What are some of the rites of spring around the Department of Parks and Recreation and the many community organizations that we partner with in Victor? **Arbor Day** will be celebrated on April 21st with the **Village Tree Board** hosting several activities at **Harlan Fisher Park** including tree plantings within the park and along Church Street. The event will start at 10:00 am and volunteers are needed so please contact the Village Tree Board through their Facebook page or contact the Department.

Our annual **Week for Honor Flight** is slated for the week of May 4th – 11th. Mike Stockman, our Assistant Director of Parks and Recreation, works with numerous local businesses and organizations to recognize area Veteran's for their commitment to our country and send them on "missions" to visit the memorials located in Washington DC. To date, this effort has raised more than \$90,000 in donations for Honor Flight Rochester! There is more information on this annual springtime event in the pages of this brochure as well as on our Facebook page.

During the week of May 21st, you will enjoy the many **hanging flower baskets** and lovely **flower beds** that are planned for and planted in cooperation with the **Victor Garden Club** and **Village Department of Public Works**. Bright shades of pink dragon wing begonias and purple petunias adorn the flower beds at the Four Corners, Mead Square Park and at the Town Hall and Village Hall. If you are visiting Victor, this is often the 1st thing that you see, so we take great pride in this effort!

Inside the pages of this seasonal brochure, you will locate information about our summer day camp and specialty camp offerings, our popular swim lesson schedule and the many events that make Victor a great place to live, work and play! So, as we turn our attention from winter to spring, we hope to see you at an upcoming recreation program or out in one of our parks.

All the Best,

Brian C. Emelson, CPRE  
Director of Parks and Recreation

MARTIAL ARTS**

## JUNIOR NINJA WARRIOR

### NINJA DODGEBALL: MONDAY & WEDNESDAY

"Ninja Dodgeball" is a new concept designed at Eastside Martial Arts that allows players to not just dodge and catch balls thrown during play, but to also block them using a small hand-held target called a "focus mitt". Players may also use their hands and feet to block as well. All of our balls are made from NON-STING, foam core. This eclectic form of dodgeball will really test your Ninja-like dexterity skills! Children and teens (ages 6-14) will be divided into three age appropriate groups (6-8yr olds, 9-11yr olds and 12-14yr olds). Includes a short introductory martial arts class each day.

### NINJA NERF WARS: TUESDAY & THURSDAY

In our venturesome, Nerf Ninja Camp, "Jr. Ninja" will battle each other on our matted, 4,000 square foot Black Light/Smoke Machine equipped room. Children and teens (ages 6-14) will be divided into three age appropriate groups (6-8yr olds, 9-11yr olds and 12-14yr olds) to battle on three uniquely different courses with various obstacles to maneuver through and hide behind. Our facility is over 6,000 sq ft, all safely matted for added protection. We provide all ammunition, using soft tipped Nerf N-Strike Elite Series darts and Nerf Rival soft foam balls. We have a limited supply of "Nerf Rival Artemis XVII-3000" guns, "Nerf Doomlands, The Judge" guns and "Elite Strong-Arm Blasters" to rent, as well as Tactical Vest Jackets (to hold ammunition). Protective eyewear must be worn by all participants and may be purchased for an additional \$2 at the door. Includes a short introductory martial arts class each day.

**New!**

### NINJA WARRIOR OBSTACLE COURSE: FRIDAY

**Note:** If you are unsure which level your child belongs in, please contact Christine Winter at (585) 742-0145 or [cwinter@town-victor-ny.us](mailto:cwinter@town-victor-ny.us)

### Introduction to Level 1:

This is for children 4-5 years old who are unable to stand in the shallow end but are comfortable performing bobs, putting their face in, blowing bubbles and holding onto the wall unassisted in 3 foot 8 inch deep water. They will work on floating independently, flutter kicking and rolling over onto their back. These skills are essential in keeping this age group safe in both pools and lakes. Upon passing this level, it is possible the child may be ready for Level 2 (Instructor's discretion).

### Level 1 (Beginner 1):

If your child is under the age of 6, please refer to Intro to Level 1. Level 1 is for children 6 and older who are able to stand in the shallow end independently. They will work on putting their face in the water, blowing bubbles and floating on their front or back.

### Level 2 (Beginner 2):

Children in this group can float a little and feel comfortable with their faces in the water, but are still working on making progress through the water.

### Level 3 (Beginner 3):

This group can swim in the shallow end with their faces in the water, but continue to work on the confidence to feel comfortable in water over their head.

### Level 4 (Advanced Beginner):

Children can swim in the deep end but are working on rhythmic breathing on front crawl and performing the elementary backstroke.

### Level 5 (Intermediate):

Swimmers can rhythmic breathe on front crawl and perform the elementary backstroke, but are working on the breaststroke, sidestroke, and/or back crawl.

### Level 6 (Swimmer):

This group can perform the six basic strokes: front crawl, elementary backstroke, breaststroke, sidestroke, back crawl and butterfly. Level 6 now has four components that will be covered in the lesson: Personal Water Safety, Pre-Lifeguard Training, Fitness Swimmer and Fundamentals of Diving.
