MISSION STATEMENT

The Town of Victor Parks and Recreation Department is dedicated to offering ALL residents a balanced system of parklands, preservation of open space, and broad-based leisure opportunities that will foster growth of healthy lifestyles.

Leisure Lines from the Director of Parks and Recreation

We trust that this note finds you well and enjoying the last few weeks of summer in Victor! I hope that you had a chance to join us for a concert in the park this summer or perhaps you enjoyed our popular summer day camp or swim lesson programs? If you did participate in these or any of our activities, we hope that you took (or will take) a moment of time to tell us about your experience with Victor Parks and Recreation!

This fall, we will pick up steam with our **Parks and Recreation Master Plan project**. During the summer months, our consultant team from Bayer Landscape Architecture and your peers from the Victor Parks and Recreation Citizens' Advisory Committee who are guiding us through this community effort received valuable input from residents and visitors to our growing community. The needs and desires identified in the community-wide, public input survey and the comments that we received when we were out and about at several special events will be utilized as the framework for future Department initiatives. If you weren't able to connect with the project or planning team this summer, swing by our booth at Hang Around Victor Days on Saturday, September 8th!

If you are a parent of a Kindergarten through 6th grader, check out our **V-RAP (Recreational Afterschool Program)**, which is held on school days from 3:45 – 6:00 PM at the Recreation Center. School age children can conveniently take the bus from school and participate in games, complete arts and crafts projects and enjoy socialization with their friends or meet new friends! Our youth recreation program also has trips and activities planned for Victor Central School District holidays, Superintendent's conference days and during the school recess weeks.

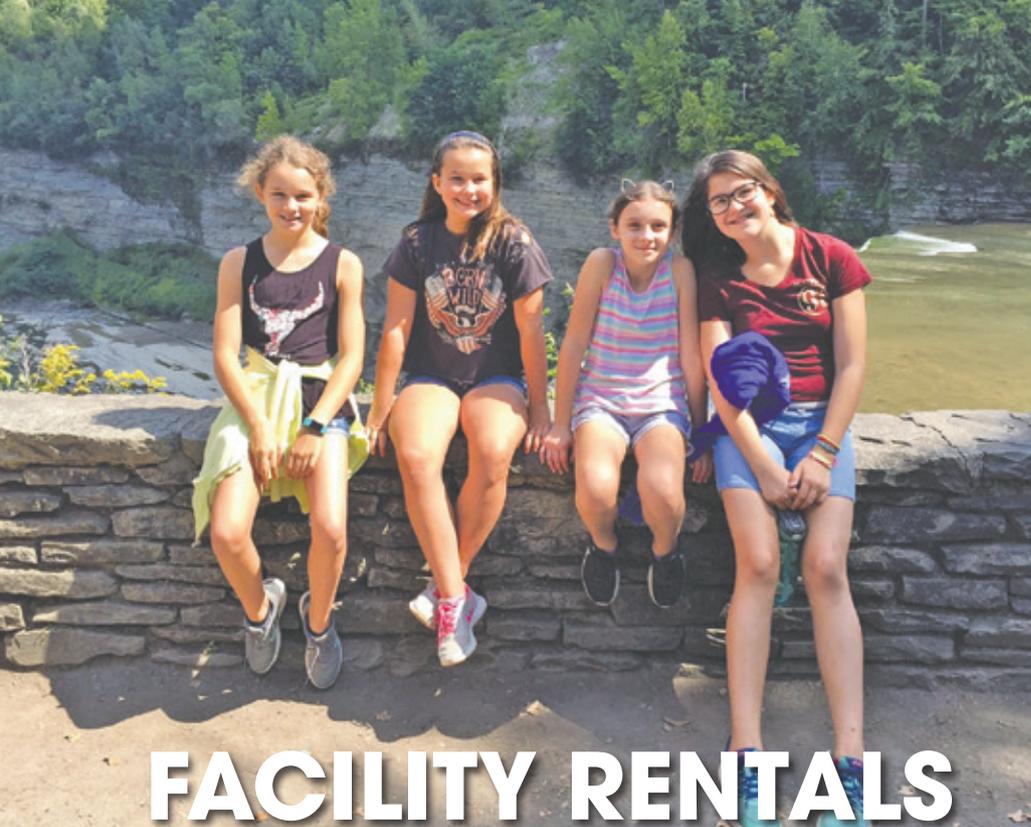

This fall, we are offering an **"Adaptive Pickleball"** instructional program for adults looking to stay active and learn one of the fastest growing sports in the country! Modifications can be made for participants including playing chair pickleball that will help improve your core muscle strength. Please don't hesitate to contact Bob Stokes, our instructor from Pickled Power or Jerry LaVigne from the recreation staff to learn more about this "new" program.

Seniors can join us in September for a 3-night trip to the **"Best of Maine"** with stops in Acadia National Park, Bar Harbor and Kennebunkport. A little closer to home, our "Early Bird Dinner Club" will take in the Yard of Ale in Piffard as well as a dining experience at local favorite The Brookhouse Restaurant in Greece. As we move into the December holiday period, seniors will visit the Gingerhouse Display at the George Eastman House and can also take in the annual Holiday Lights Tour through our senior program. We hope that you will find an activity that interests you in this brochure or check out our spiffy "new" website at www.victorny.org.

Regardless of where your leisure-time adventures take you this fall, we are looking forward to providing you with high quality recreation programming and outstanding park services in the Victor community.

All the Best,

Brian C. Emelson, CPRE
Director of Parks and Recreation

SWIM LESSON LEVELS DESCRIPTIONS

Note: If you are unsure which level your child belongs in, please contact Christine Winter at (585) 742-0145 or cwinter@town-victor-ny.us

Introduction to Level 1:

This is for children 4-5 years old who are unable to stand in the shallow end but are comfortable performing bobs, putting their face in, blowing bubbles and holding onto the wall unassisted in 3 foot 8 inch deep water. They will work on floating independently, flutter kicking and rolling over onto their back. These skills are essential in keeping this age group safe in both pools and lakes. Upon passing this level, it is possible the child may be ready for Level 2 (Instructor's discretion).

Level 1 (Beginner 1):

If your child is under the age of 6, please refer to Intro to Level 1. Level 1 is for children 6 and older who are able to stand in the shallow end independently. They will work on putting their face in the water, blowing bubbles and floating on their front or back.

Level 2 (Beginner 2):

Children in this group can float a little and feel comfortable with their faces in the water, but are still working on making progress through the water.

Level 3 (Beginner 3):

This group can swim in the shallow end with their faces in the water, but continue to work on the confidence to feel comfortable in water over their head.

Level 4

(Advanced Beginner):

Children can swim in the deep end but are working on rhythmic breathing on front crawl and performing the elementary backstroke.

JUNIOR ENTRY LEVEL GROUP TENNIS LESSONS

With convenient times and locations, Empire Tennis has several options for junior players. Headquartered out of the Harley School, Empire Tennis Academy strives to help you improve your game, gain confidence, stay fit, and foster long lasting friendships and bonds with other fellow players.

Jason Speirs, Director of Empire Tennis Academy, will coordinate the program and his staff will be teaching it. This tennis program is for **Entry Level** players only – those who have either never played before or have very minimal experience.

As a side note, those who are on JV or Varsity teams are likely not at the entry level; however, if they are interested in taking lessons, they can check out our regular program times on our website (www.empiretennisacademy.com).

Groups are separated by age and the goal of the program will be to teach basic strokes and use drills and games that will show tennis can be a lot of fun to play. Come join us and have fun while you learn the sport of tennis!
