MISSION STATEMENT

The Town of Victor Parks and Recreation Department is dedicated to offering ALL residents a balanced system of parklands, preservation of open space, and broad-based leisure opportunities that will foster growth of healthy lifestyles.

Leisure Lines from the Director of Parks and Recreation...

Brian Emelson, CPRE, Director of Parks and Recreation

As I write this note from my office in the Victor Recreation Center, I can share my excitement as we head into our 3rd consecutive season of recreation programs and activities since the Covid-19 pandemic changed all our lives back in March of 2020. The recent summer and fall months have seen a return to many traditional activities that we hold dear including concerts in the park, summer camps, family gatherings, and a fairly typical return to the school year for our children. While we are not fully back to normal as a society, we have made so much progress as a community in 2021!

During the winter program season, we welcome back popular Department programs including Butterfly Kids Yoga, Tiny Dancers, and the Ski and Snowboard Club which will hit the slopes in early January. This February we will celebrate the season with our annual "WinterFest" on Saturday, February 5th as well as the return of our "Easter Egg Hunt" on Saturday, April 9th at its NEW location in Dryer Road Park! Our adult, drop-in volleyball program with Christine O'Connor takes to the court on Wednesday nights and we have several NEW fitness classes for teens, adults and senior citizens including Exercise Band Boot Camp and 100 Days to 100K...Trainer Tuesdays at the Rec!

Our parks and trails operations staff were quite busy this year completing several NEW projects in our natural spaces. With the support of the Ontario County Soil and Water District, LaBella Associates and our Town Stormwater Management office, we completed a long awaited, streambank stabilization project in Fishers Park. This unique "Root Wad" project fortified the Irondequoit Creek streambank at the park's picnic grove and Main Street Fishers parking area. Not only will this prevent erosion at this high valued creek, but it will provide a much better habitat for fish. In September, we completed major renovations to the Fishers Park tennis and pickleball courts including the addition of four permanent pickleball courts, complete resurfacing and striping, new fencing and an expanded parking area. Christened "Colyer Courts," after local pickleball advocate and longtime Victor resident Jerry Colyer, the facility will serve our community well for the coming seasons!

In the fall, we constructed a 2,500 linear foot section of shared use path in Victor Municipal Park from the Papparone Drive - Brahurst Street intersection to the playground and lodge within the park. Kudos to the entire crew for pulling together to get these projects completed during a hectic season which also includes mowing, athletic field maintenance, watering and weeding flower beds, and lodge / picnic shelter upkeep!

Please note, that our NEW office hours at the Victor Recreation Center are 9:00 A.M. to 5:00 P.M., but you can access our online recreation program registration platform at www.victorny.org anytime. In 2022, we are planning to move our park lodge and picnic shelter reservation process to an online format as well!

As we head into the holiday season, our Department wishes you and your family a happy and healthy season. Onwards and upwards!

All the best,

Brian C. Emelson, CPRE
