Leisure Lines from the Director of Parks and Recreation...

Brian Emelson, CPRE, Director of Parks and Recreation

I hope that you've had a great start to the year and are anxiously awaiting a return to a more traditional slate of community opportunities and recreation activities that we have proudly brought to you in past spring / summer brochures. This season we will feature several "new" special events and recreation programs in addition to our popular summer day camp component on the Victor Central School District campus and the concert series at Victor Municipal Park!

This spring, children and families can join us on June 18th for the Gone Fishing... Youth Fishing Derby and cap off the summer on August 27th at the Back to School Family Movie & Campout! Swing by Dryer Road Park on the 3rd Tuesday of the month in June, July, and August for Taco Tuesdays featuring tacos, trails, and ales. Come early for a mountain bike ride or hike and stay for a great time including live music! Celebrate the 30th Anniversary of Victor Hiking Trails on June 4th in Mead Square with guided hikes, food, entertainment and more!

Specialty camps for preschoolers through middle school include Lego Camp, Junior Contractors Camp, Epic Adventures Mountain Bike Camp, and Magic and Balloon Twisting Camp as well as a myriad of sports and games related activities. Senior citizens should consider joining us on the last Wednesday of every month for our popular Out to Lunch Bunch trips where we make your reservations and provide the transportation!

If you or a family member are looking for a great part-time employment opportunity which will develop skills, build confidence and gain valuable work experience in your community, please consider joining our department's seasonal staff. We have current positions available as Recreation Assistants, Leaders and Specialists in our camps as well as opportunities in Parks & Trails Maintenance. Contact us at (585) 742-0140 for more information or stop by the Victor Recreation Center to learn more!

As we turn our attention to spring and summer, we are looking forward to seeing you at many of our high-quality recreation programs and special events in Victor.

All the best,

Brian Emelson, CPRE, Director of Parks and Recreation

SPECIALTY & SPORTS SUMMER CAMPS

MR. MIKE'S SUMMER SPORTS CAMP FOR KIDS

The kids will be exposed to many different sports and games over the course of 4 days. We try out anything from soccer to football to ultimate frisbee, and basketball... and much more. We will be outside and in the gym throughout the day. This is not intended for high skills training, but more for let's have fun and experience some sports we know and sports we might never have tried before. We weave in different playground and gym games into the day which goes from 9:00 A.M. - 12:00 P.M., Monday - Thursday. We take a short break to catch our breath and have a snack about halfway through the morning. And we finish the day with either some Capture the Flag or Dodgeball. I group the kids by age, ability, and friends or siblings... basically we keep the more "competitive" kids from running over the "just for fun" or younger participants. Parents in the past have enjoyed the length of this program that it gets kids out of the house and active in the morning, and that they are exposed to a variety of different sports and games without committing to a season in one discipline. I'm excited to run around with the kids and get them active and healthy. Bring your water bottle and a snack too!

SWIM LESSON LEVELS DESCRIPTIONS

Note: If you are unsure which level your child belongs in, please contact Mike Stockman at (585) 742 - 0145 or mstockman@town-victor-ny.us.

Introduction to Level 1:

This is for children 4-5 years old who are unable to stand in the shallow end but are ready for more independence than the tot program. They will work on floating independently, flutter kicking and rolling over onto their back. These skills are essential in keeping this age group safe in both pools and lakes. Upon passing this level, it is possible the child may be ready for level 2 (Instructor's discretion).

Level 1 (Beginner 1):

If your child is under the age of 6, please refer to Intro to Level 1. Level 1 is for children who are able to stand in the shallow end independently. They will work on putting their face in the water, blowing bubbles and floating on their front or back.

Level 2 (Beginner 2):

Children in this group can float and feel comfortable with their faces in the water but are still working on making independent forward progress.

Level 3 (Beginner 3):

This group can swim in the shallow end with their faces in the water but continue to work on the confidence to feel comfortable in water over their head. This class has a large focus on learning front crawl, backstroke, and elementary backstroke.

Level 4 (Advanced Beginner):

This class takes place in the deep end. Children will work on refining the front crawl and backstroke. Children will learn breaststroke and sidestroke.

Level 5 (Intermediate):

Swimmers can rhythmic breathe on front crawl and perform the elementary backstroke but will continue to work on the breaststroke, sidestroke, and/or back crawl.

Level 6 (Swimmer):

This group can perform the six basic strokes: front crawl, elementary backstroke, breaststroke, sidestroke, back crawl, and butterfly. Level 6 now has four components that will be covered in the lesson: Personal Water Safety, Pre-Lifeguard Training, Fitness Swimmer and Fundamentals of Diving.
