MISSION STATEMENT

The Town of Victor Parks and Recreation Department is dedicated to offering ALL residents a balanced system of parklands, preservation of open space, and broad-based leisure opportunities that will foster growth of healthy lifestyles.

Leisure Lines from the Director of Parks and Recreation...

Brian Emelson, CPRE, Director of Parks and Recreation

Season's Greetings! This winter, our Ski and Snowboard Club will hit the slopes and terrain park at Bristol Mountain on Friday nights beginning in early January. Our historically popular program includes round-trip transportation and supervision while offering youth in grades 4th to 8th an economical way to enjoy the sport at the areas premier winter destination! Please sign up early as space usually fills.

In 2022, we moved our Easter Egg Hunt to Dryer Road Park and participation has grown incredibly at this annual family gathering. This year, we will make some subtle changes to the event to increase your enjoyment while carrying out this well-loved activity. Mark your calendars for Saturday, March 23rd for what could be a chilly start to our 2024 special event line-up!

If you're a senior citizen looking to get out of the house and explore but would prefer not to drive during the winter months...allow us to take you on a variety of trips, tours featuring sips and snacks with our Out to Lunch Bunch and Early Bird Dinner programs. Our recreation staff have selected a variety of local and regional hot spots to visit with you as you make new friends and share in the fun without the stress of driving! If you have a suggestion for a "new" place to visit, please drop us a note as we are always looking for exciting places to discover!

This summer and fall, our Parks Maintenance staff and contractors made excellent progress on the "future" Dog Park at Harlan Fisher Park. We completed all earthwork, drainage systems, construction of the woodland path, fencing, electronic access system, water and electrical service to the one-of-a-kind facility. The Dog Park is slated to open this spring, so keep an eye out in the next activity guide and at www.victorny.org for information about the grand opening and how to get a pass to our latest park project!

Finally, I'd like to thank the Parks and Recreation Citizens' Advisory Committee, the Town and Village Boards, the Director of Finance, the Town Highway Department and the Village Department of Public Works for collaborating on the purchase and installation of numerous pedestrian and bicycling improvements throughout our community this year. Projects included the "Bike in Lane" signs, the wider sidewalks on High Street near the Victor Central School District campus, and the improvements to Willis Hill Road. Victor is seen as a New York State leader in the trails and outdoor recreation movement and these on-road transportation improvements will only bolster that reputation!

Wishing you and your family and Happy Holiday and joyous New Year!

Brian C. Emelson

SWIM LESSON LEVELS DESCRIPTIONS

NOTE: If you are unsure which level your child belongs in, please contact Mike Stockman at (585) 742 - 0145 or mstockman@town-victor-ny.us.

Private Lessons (AGES 2-12):

30-minute classes with individual guidance in and around the water. Working at their own pace to get more confident and efficient in the swimming world.

Parent Child Classes (AGES 6 months-3 years):

30-minute classes, including parent/child engagement! During class we will work with parents to get their younger children comfortable and confident in and around water. Working on guided discovery of the water environment while being in the caring arms of a caregiver.

TOT swim classes (AGES 3 - 4):

30-minute classes, smaller class size! Preschool age children will receive an introduction to water in a controlled and comfortable environment. During this class they will focus on becoming more comfortable in and around the water environment. This is for children only (not parent/child) with a small class size.

Introduction to Level 1:

This is for children 4-5 years old who are unable to stand in the shallow end but are ready for more independence. They will work on floating independently, flutter kicking and rolling over onto their back. Upon passing this level, it is possible the child may be ready for level 2 (Instructor's discretion).

Level 1 (Beginner 1):

If your child is under the age of 6, please refer to Intro to Level 1. Level 1 is for children who are able to stand in the shallow end independently. They will work on putting their face in the water, blowing bubbles and floating on their front or back.

Level 2 (Beginner 2):

Children in this group can float and feel comfortable with their faces in the water but are still working on making independent forward progress.

Level 3 (Beginner 3):

This group can swim in the shallow end with their faces in the water but continue to work on the confidence to feel comfortable in water over their head. This class has a large focus on learning front crawl, backstroke, and elementary backstroke.

Level 4 (Advanced Beginner):

This class takes place in the deep end. Children will work on refining the front crawl and backstroke. Children will learn breaststroke and sidestroke.

Level 5 (Intermediate):

Swimmers can rhythmic breathe on front crawl and perform the elementary backstroke but will continue to work on the breaststroke, sidestroke, and/or back crawl.

Level 6 (Swimmer):

Her love and passion for colored pencil is contagious! Allow her to introduce you to a medium that is very satisfying and fun. In this class you will be learning how to use colored pencils to get a realistic image while creating these beautiful birds.
