Leisure Lines from the Director of Parks and Recreation...

Brian Emelson, CPRE, Director of Parks and Recreation

I'd like to focus my article this season by thanking Mark Robbins, Paul Moszak and Gregg Richards for their commitment to the Department of Parks and Recreation and its' Citizens' Advisory Committee (CAC) having served numerous terms on this volunteer led team. The Citizens' Advisory Committee is appointed by the Town Board and acts as a grassroots advocacy group communicating the parks and recreation needs and desires of its residents while exposing the importance of leisure services as a key attribute of our community. The group is largely responsible for long-range planning initiatives, special projects and outreach to fellow residents and like-minded community groups.

Gregg Richards has served on the CAC since January 2012 working as an advocate and advisor on projects including the Auburn Trail Extension, the (2019) Parks and Recreation Master Plan, and the Harlan Fisher Park Master Plan including the "new" off-leash dog park. Gregg's three sons were long-time participants in our summer recreation program, worked seasonally as camp counselors in that program and served with Gregg on the CAC while students at Victor High School. Gregg also served several terms as Chairperson and Vice Chairperson on the CAC, leading monthly meetings and sub-committee activities while always making it challenging and fun! Gregg is equally adept at gathering input and ideas from the public for a new parks project as he is at volunteering at the bike rodeo or at a summer concert in the park!

Paul Moszak began his spirit of volunteerism in the Victor community as the Victor Youth Soccer Club's field and facility scheduler working with me every year to ensure that area youth had access to athletic fields within the Victor and Farmington Park systems. Once Paul moved on from the youth soccer Board, he became the Lead Steward of the multi-use trail system at Dryer Road Park on behalf of Genesee Regional Off-Road Cyclists (GROC). In addition to leading weekly work parties with his all-volunteer crew, Paul coordinated several initiatives at the park including the Pump Track and Jump Line builds, the 1st machine-built trails in the area "Hog Hollow," "Jasper" and "Rufas" as well as being the key organizer of our annual "Love Your Trails Day" event at Dryer. Paul has been on the committee since February 2019. He possesses a cool head, is a highly-committed task master, wonderful allies and always puts the Victor community in great light!

Mark Robbins came to the CAC in January 2017 after many decades spent organizing and leading activities as a volunteer for the Rochester Bicycling Club. Mark has held leadership positions on the CAC as Chairperson and Vice Chairperson while also volunteering as a local bicycle and pedestrian advocate and coordinating activities for the Department including the "Kids and Family Bike Festival" every spring. Mark worked on the sub-committee responsible for the (2019) Parks and Recreation Master Plan and most recently was a key contributor on the off-leash dog park project and the revitalization of Harlan Fisher Park. Mark has done everything from taking monthly committee meeting minutes to filling SWAG ("Stuff We All Get") bags to hauling coolers filled with hot dogs and drinks to community events. Mark was solely responsible for getting all the "Bikes in Lane" signs purchased and installed throughout Town as well as promoting active transportation and bike safety throughout our region. Mark is a critical thinker, a caring volunteer and a key attribute in the Victor community.

We wish a heartfelt thank you to Mark, Paul and Gregg for their numerous years of service to the Department of Parks and Recreation and its Parks and Recreation Citizens' Advisory Committee. These three individuals and their contributions to the Victor community are another testament to what makes Victor a great place to live, work and play. We wish you the best on your next adventures and will work diligently to keep your level of enthusiasm present in the work of the Department and CAC as we move forward!

As we move into winter and the start of the New Year, I look forward to crossing paths with you at the Recreation Center at one of our activities or events or out in the parks enjoying the times of the season.

All the best,
Brian

MARYFRANCES BLUEBIRD HAVEN

235 County Route 9

Fondly referred to as Victor's living classroom, Mary Frances Bluebird Haven's focus is on highlighting New York's official bird, the bluebird! The main trail that loops the perimeter of the park allows visitors to view bluebirds in their natural habitat along with various other species that reside in this passive park. Secondary mown trails weave through lush meadows and open spaces where nesting boxes can be seen. Mary Frances Bluebird Haven also has a cottage available for rentals and a fishing pond with an accessible fishing dock. The park also plays host to a community garden with fourteen plots available for planting your seasonal vegetables or flowers. Future plans include a trail connection to Village on the Park, an outdoor classroom, picnic shelter, and landscaping to complement the existing terrain.
