-  Town Boundary
-  Village Boundary
-  Tax Parcels
-  Town Park Land
-  Future Local Roads
- Existing Road Functional & Access Classification**
-  Arterial Roads
-  Collector Roads
-  Local Through Roads
-  Other Town Roads
-  Interstate Highway
-  Interstate Ramp
-  Private Roads

The location of Future Local Roads is approximate; intended to indicate the need for a future road in this approximate location. Private landowners and developers of land shall not impinge upon the proposed location of these future roads unless approved by the Town Planning Board. The Town Planning Board shall have broad discretion to adjust the exact connection points of Future Local Roads to existing roads and in the geometry of such Future Local Roads as long as the Planning Board finds that such adjustments are in harmony with the Town's Access Management Plan and Chapter 55 of the Town Code. Small stubs are shown into individual parcels to indicate spacing for future driveways deemed important for future development and shared access and are not intended to become Town owned roads.

The width of Right-of-Ways for existing roads are as they exist as of the date of adoption of this Official Map. The width of Right-of-Ways for Future local roads is established as 60 ft. as a minimum and is subject to final determination by the Town as it finds circumstances may demand.

Some roads are shown outside of the Town of Victor for context only and are not intended to infer any type of jurisdiction by the Town.

Adopted by the Victor Town Board on August 26, 2019 pursuant to Town Law §270 of the State of New York.
