Become a member of the Victor Community Swap Shop Group!

This is a private group and you must request to join to become a member and to view available items.

Members can post photos of items they would like to give away. This is a great way to dispose of usable items that can be re-used by another member of our community and keep these items out of the landfill.

Please contact the Transfer Station Office if you have any questions at 585-742-5094 ext. 2201.
