

# FISHERS PARK

93 ACRES  
TIME OF VISIT:  
SUMMER 2018

**GENERAL OBSERVATIONS**

- Open lawn space at corner of Main St. Fishers and Wangum Road has potential to be a programmed space (i.e. multi-use field, arboretum, nature exploration programming) that can be screened from road and rest of park
- Natural feeling/ setting should be maintained - provides respite from surrounding commercial activity and Thruway
- Upper open space area off of old dutch road could be a programmed space (i.e. nature exploration area, natural play area, outdoor education area, pavilion / shelter, etc. - only passive recreation
- Irondequoit Creek utilized by community for fishing.
- Tennis courts and parking lot (gravel pavement) in good condition
