RESIDENTIAL RECYCLING

HEADQUARTERS: 7318 Victor Mendon Road, Victor, NY 14564

DROP-OFF HOURS: Monday – Friday 8:00AM – 4:00PM

Quick Facts:

+ **No Cost to Residents:** As of January 1, 2023, recycling Covered Electronic Equipment (CEE) is free for residents—fees are fully covered by manufacturers (OEMs) under updated NYS regulations (6 NYCRR Subpart 368-3), and Collection Sites cannot charge any fees.

+ **Manufacturer Responsibility:** Original Equipment Manufacturers (OEMs), the companies that produce electronics, are now required by law to cover all recycling costs, making it easier and free for communities to recycle electronics responsibly.

+ **Statewide Residential Recycling Access:** In addition to convenient drop-off available at each of our facilities, the EWASTE+ Alliance Network includes over 175 NYS DEC-registered collection sites across New York State. Please note that accepted items may vary by location.

+ **Guaranteed Data Security:** EWASTE+ adheres to strict industry certifications that require all data-bearing devices to be wiped or destroyed as part of our standard process—ensuring your personal information is securely and permanently removed every time.

Attention Businesses:

When it comes to electronics disposal, businesses face important legal, environmental, and security obligations. Contact an EWASTE+ dedicated Account Manager at (888) 563-1340 to schedule a trusted commercial pick up.
