SWIMMING POOL ALERT!!

Before you purchase a portable swimming pool,
at a local big box store, **BE ADVISED...**

**STAY SAFE
AROUND WATER**

- Any swimming pool **capable** of holding water at a depth of **24 inches or greater** requires a building permit and needs to meet New York State Code requirements for a permanent safety barrier.
- This applies to **ANY** pool whether it is in-ground, above-ground, **inflatable or portable**. These pools will also need to be equipped with a pool alarm.
